- *All summer aid is based upon hours enrolled at the time of processing. Changes to enrollment may affect eligibility.
- *Summer 2021 is considered a part of 20/21 academic year and the 20/21 FAFSA is used to determine eligibility.
- *Summer funds will be applied to your account at the beginning of the summer session in which you are eligible for disbursement.
- *Loan eligibility requires enrollment in at least six (6) undergraduate hours. If you change or cancel your enrollment you must notify Student Financial Services.
- *I understand that if I stop attending before the 61% of the term, whether or not I officially withdraw from courses, I will owe a repayment of the federal student aid.

My signature below indicates that I understand that the funds will disburse to my account at the beginning of the first term I am enrolled and will apply to all terms enrolled. Summer award notices will be updated on my OBU web portal account.

If I never begin attending any of the courses in which I enrolled, I become ineligible for all funds received and applied to my account and will owe that money back to the appropriate federal program.
