Note: The fact that a student has memorized the required number of songs does not assure that the student will receive that grade.

C. Minimum Performance Requirements for second semester Freshmen, Sophomores, Juniors and Seniors

* A student must have satisfactorily prepared for and performed in Performing Arts Class during the semester to qualify for an "A". Exceptions must be approved by the instructor and the Dean of the School of Fine Arts.

* A student must perform before a voice jury committee at the end of each semester to receive a passing grade.

* At the teacher's discretion, a student appearing in a recital is exempt from the Performing Arts Class and jury performance requirements for that semester.

D. Jury Exam Guidelines for Voice Principals

1. Every student enrolled in voice under a principal applied course number must perform before a jury at the end of the semester. Music minors with a voice principal must perform a jury at the end of each semester until their voice requirements are complete. The only students exempt from the jury requirement are those who have performed a recital during that semester, or who have completed the voice requirements for their chosen degree.
2. The jury consists of the student's voice teacher and no fewer than two other voice teachers.
3. The student will choose the first selection to be performed and two additional selections will be chosen by the jury panel (the jury will select at least one musical theatre work for BM/BFA Musical theatre students).
4. Based upon this performance, each member of the jury panel will award a numerical score on the scale of 91-100 = A, 81-90 = B, etc.
5. The grades are averaged, and the teacher has the prerogative of raising or lowering the average by up to TEN points depending upon the student's weekly performance in the studio. Attendance, amount of practice, degree sought, vocal technique and progress, amount of literature learned, difficulty of literature, language accuracy, and musical style are among the factors which may affect the grade.
6. The final grade is awarded by the voice teacher based upon the same grading scale and is subject to the minimum requirements stated in this manual.
7. Students receiving an incomplete in vocal study must perform a jury no later than the end of the third week of classes of the following semester. If the jury is not completed within the first three weeks the incomplete becomes an "F".
8. **Students who continue to study voice after completing their degree requirements are not required to perform a jury.**

E. Criteria for Grading All Voice Principals

The jury committee will consider the following when determining the grade for the semester:

- * Amount of literature memorized
- * Level of difficulty of literature
- * Quality of performance
- * Amount of progress in vocal technique
- * Attendance at weekly lessons and attitude towards work

F. Registration for Recital Course

The potential student recitalist must register for recital credit during the semester a public degree recital is given. **(Note: BFA/BM Musical Theatre majors must also register for recital prep with their assigned theatre coach.)**

3. REQUIREMENTS FOR DEGREE RECITALS

ALL RECITALISTS MUST PERFORM A PREVIEW/HEARING A MINIMUM OF TWO WEEKS PRIOR TO THE SCHEDULED RECITAL. A PANEL CONSISTING OF VOICE TEACHERS, AND THEATRE INSTRUCTORS (WHERE APPROPRIATE) WILL GRADE THE PREVIEW/HEARING EITHER “PASS OR FAIL”, DETERMINING WHETHER THE PROGRAM IS SUITABLE FOR PUBLIC PERFORMANCE. IF THE RECITALIST FAILS THE PREVIEW HEARING, IT WILL BE RESCHEDULED ONE ADDITIONAL TIME. FAILING THE PREVIEW/HEARING A SECOND TIME WILL RESULT IN THE STUDENT NOT BEING ALLOWED TO PURSUE THE CHOSEN DEGREE.

B. Bachelor of Music Education candidates who follow the choral major requirements must choose one of the following applied music options:

- (1) Twelve hours of voice and four hours of piano
- (2) OR, Twelve hours of piano (or organ) and a minimum of six hours of voice, with a jury at the end of each semester. For students choosing option (1) successful completion of the piano proficiency examination is required at the end of their applied piano study.

C. Bachelor of Music in Performance candidates with a principal in keyboard or instrumental music may choose four hours of voice as their secondary applied music area. Successful completion of the piano proficiency examination is

required at the end of their applied piano study.

E. Jury Exam Guidelines for the Voice Secondary

A jury exam is required of all students taking required secondary voice. Students will be expected to sing one memorized selection of their choice taken from the repertoire studied during the semester. The teacher will award the semester grade. **The jury panel does not provide written comments for these students.**

A = 12:30 minutes or 5 songs memorized minimum

B = 10:00 minutes or 4 songs memorized minimum

C = 7:30 minutes or 3 songs memorized minimum

D = 5:00 minutes or 2 songs memorized minimum

Policies for incompletes and completion of required study are the same as for principals.

5. NON-MUSIC MAJORS

Non-music majors may enroll in applied voice as an elective when voice faculty loads permit. Non-majors enrolled as electives are not required to perform a jury, and repertoire requirements are left to the discretion of the individual teacher.

6. UNIQUE RECITAL REQUIREMENTS FOR MUSICAL THEATRE MAJORS (revised, fall of 2019).

A. GENERAL MUSIC THEATRE RECITAL REQUIREMENTS:

In order to pursue the Bachelor of Music or Bachelor of Fine Arts Degree in Musical Theatre, a student must meet the following requirements satisfactorily as evaluated by a committee of voice and theatre arts faculty.

Recommendations on whether a MT student should present their recital in the fall or spring of an academic year will be made by the theatre faculty no later than November 15 of the previous year. Voice faculty members will make it known to the theatre faculty by December 1 of that same semester, if they have

reservations about the student's ability to be vocally prepared for the recommended semester.

B. BMMT SOPHOMORE BARRIER RECITAL:

Students pursuing the Bachelor of Music in Musical Theatre present a fifteen-minute sophomore barrier recital. The BM Musical Theatre sophomore recital is an assessment of the student's ability to perform in the genres of Classical and Musical Theatre as singer, dancer, and actor. The recital should demonstrate strong proficiency in musicianship, healthy, style-appropriate vocal technique, character development, and movement. It is generally recommended that this recital be presented during the second semester of the sophomore year.

One-half of the recital shall consist of standard musical theatre repertoire. The Musical Theatre selections must represent the three main style periods of musical theatre, including (1) the late 19th and early 20th century, (2) The Golden Era (1940-1975), and (3) modern (1976-present). Furthermore, this repertoire must include a duet and a song with movement, and shall not exceed 7:30 minutes in length, including transitions.

The remaining half of the program must be standard classical literature, and must include songs or arias sung in Italian, German and French. The repertoire should feature contrasts in compositional style and historical period. This half of the program shall not exceed 7:30 minutes in length, including transitions.

No costume changes will be allowed during the program. Augmentations of attire can be achieved by adding a scarf, jacket, or other accessory piece, on top of the existing outfit.

It is expected that the performance skillset and overall quality of both sections of the program be equally strong. Balancing both aspects of this degree makes it entirely unique when compared with the other degrees offered.

Sophomore BMMT recitals will be scheduled during the 2 p.m. PAC hour. Dates for these recitals will be requested by the student's applied singing instructor in

consultation with their assigned theatre coach. Non OBU students such as family, friends, or alumni will not be allowed to participate in recitals.

C. BFAMT SOPHOMORE BARRIER RECITAL:

Students pursuing the Bachelor of Fine Arts in Musical Theatre will present a fifteen-minute sophomore barrier recital. The BFA Musical Theatre sophomore recital is an assessment of the student's ability to perform in the genre of Musical Theatre as singer, dancer, and actor. The recital should demonstrate strong proficiency in musicianship, healthy, style-appropriate vocal technique, character development, and dance. Based on recommendations made by theatre faculty, the recital may be presented in either the fall or spring of the sophomore year.

The sophomore BFA Musical Theatre recital consists of 15 minutes of material, including transitions. The material required for a BFA Musical Theatre recital includes a ballad, a duet, a legitimate song and dance number, and a scene lasting approximately 3 minutes. At least one of the required musical selections must be from a musical theatre work composed prior to 1976.

When developing the program, the recitalist should consider that the material performed can be combined, such as a duet that is also a song and dance number, which may also be from a musical prior to 1976. This allows for flexibility within the programmed material, while still meeting the established time requirements.

The 15-minute time limit makes the economy of transitions extremely important. To this end, the recitalist should select material that limits changes between pieces, by planning the logistics in a manner that allows the program to be performed within the allotted time. Furniture and props should be pre-set, and no costume changes are permitted. Augmentations of attire can be achieved by adding a scarf, jacket, or other accessory piece, on top of the existing outfit.

Sophomore BFAMT recitals will be scheduled during the 2 p.m. PAC hour. Dates for these recitals will be requested by the student's applied singing instructor in

consultation with their assigned theatre coach. Non OBU students such as family, friends, or alumni will not be allowed to participate in recitals.

D. BMMT Senior Recital

Students pursuing the Bachelor of Music in Musical Theatre present a fifty-minute senior recital. The BM Musical Theatre Senior recital is an assessment of the student's ability to perform in the genres of Classical and Musical Theatre as singer, dancer, and actor. The recital should demonstrate strong proficiency in musicianship, healthy, style-appropriate vocal technique, character development, and movement.

One-half of the recital shall consist of standard musical theatre repertoire. The Musical Theatre selections must represent the three main style periods of musical theatre, including (1) the late 19th and early 20th century, (2) The Golden Era (1940-1975), and (3) modern (1976-present). Furthermore, this repertoire must include a ballad, duet, scene, song and dance number (solo, duet or ensemble), and shall not exceed 25 minutes in length, including transitions.

The remaining half of the program must be standard classical literature, and must include songs and arias sung in Italian, German and French. This repertoire should also feature contrasts in compositional style and historical period. The classical portion of the program will be a minimum of twenty minutes and not exceed 25 minutes in length, including transitions.

There will be no more than one costume change allowed during the program (the transition from the classical section to the music theatre section, or vice versa, is the most logical place for this change to occur). Other augmentations of attire can be achieved by adding a scarf, jacket, or other accessory piece, on top of the existing outfit.

At least three months prior to the recital date, or, by the end of the prior semester, whichever is earlier, the recitalist is required to submit all performance material for approval, along with the name of each person assisting in the recital. The program material and recital assistants must be approved by both the student's applied singing instructor and theatre coach.

It is expected that the performance skillset and overall quality of both sections of the program be equally strong. Balancing both aspects of this degree makes it entirely unique when compared with the other degrees offered.

Senior BMMT recitals will be scheduled as evening recitals on the University School of Fine Arts calendar. Dates for these recitals will be requested by the student's applied singing instructor in consultation with their assigned theatre coach. Non OBU students such as family, friends, or alumni will not be allowed to participate in recitals.

E. BFAMT Senior Recital

Students pursuing the Bachelor of Fine Arts in Musical Theatre will present a twenty-five minute senior performance recital.

The BFA Musical Theatre Senior recital is an assessment of the student's ability to perform in the genre of Musical Theatre as singer, dancer, and actor. The recital should demonstrate strong proficiency in musicianship, healthy, style-appropriate vocal technique, character development, and dance.

The senior BFA Musical Theatre recital consists of 25 minutes of material, including transitions. The material required for a BFA Musical Theatre recital includes a ballad, a duet, a legitimate song and dance number, a song from a musical theatre work composed prior to 1976, a comedic scene, and a serious scene (scenes should not total more than ten minutes).

When developing the program, the recitalist should consider that the material performed can be combined, such as a duet that is also a song and dance number, which may also be from a musical prior to 1976. This allows for flexibility within the programmed material, while still meeting the established time requirements.

The recital should show versatility and depth in character development, rather than a focusing on a particular theme or style. The recitalist may present more than two scenes, as long as the cumulative performance time for those scenes does not exceed 10 minutes.

The 25-minute time limit makes the economy of transitions extremely important. To this end, the recitalist should select material that limits costume (1 complete costume change allowed) changes between pieces, by planning the logistics in a manner that allows the program to be performed within the allotted time. Furniture and props should be pre-set. Recently performed senior BFAMT recitals may be used as a model for developing a program that fits within the 25-minute time limit. Please consult with your applied singing instructor, and/or your theatre coach for a list of these programs.

At least three months prior to the recital date, or, by the end of the prior semester, whichever is earlier, the recitalist is required to submit all performance material for approval, along with the name of each person assisting in the recital. The program material and recital assistants must be approved by both the student's applied singing instructor and theatre coach.

The recitalist will share a date with another recitalist whether the two perform jointly or not. In any case, students may use only two additional performers to assist with the program. In addition, no student performer, especially senior recitalists, shall be involved in more than two recitals during a given semester, including their own.

Senior BFAMT recitals will be scheduled during the 11 a.m. PAC hour. Dates for these recitals will be requested by the student's applied singing instructor in consultation with their assigned theatre coach. Non OBU students such as family, friends, or alumni will not be allowed to participate in recitals.

***Additional Requirements for the BM/BFA in Musical Theatre**

BM/Musical Theatre majors are required to audition for, perform in, or be involved in technical aspects of all Musical Theatre productions presented by the OBU Division of Theatre Arts. It is important that Musical Theatre majors understand that their primary area of dramatic involvement will be in the productions sponsored by the SOFA, and that extracurricular activities must be a lesser priority while pursuing their degree program. It is also suggested that during their course of study at Ouachita, BM/Musical Theatre majors be involved in two non-musical dramatic productions presented by the Division of Theatre Arts. This involvement will further refine and strengthen the student's acting skills.

During a semester where the student is not presenting a recital, literature requirements for students pursuing the Bachelor of Fine Arts degree in Musical Theatre will include approximately three-fourths Musical Theatre and one-fourth standard classical literature. Language requirements are left to the teacher's discretion.
