CITY GUARDRAIL PROJECT 1

*Clean/repaint guardrails at 15th & Millcreek, 998 N 8th St (by OBU fieldhouse), and Country Club bridge (only on rails approaching bridge, too dangerous to be on the bridge)
*1/2 team will start by wiping the guardrail with acetone on rags (it should dry immediately but make sure it is clear)
*Other 1/2 of team will follow behind and paint the guardrails with lambswool gloves

**1 team of 10 ppl for all morning

**Can provide: city will provide all the tools

Directions: **Millcreek bridge, Country Club bridge, 8th bridge**

To guardrail at Millcreek:

*Take Pine St. toward Walmart

*Turn onto 15th St.

*Continue until the stop sign and turn left.

*The bridge is at the bottom of the hill after turning left.

*There is a small parking lot by the bridge for parking.)

To 8th St. guardrail:

*Drive through campus toward the football field.

*It is the small bridge right by OBU's indoor practice facility.

*Park in the parking lot by the bridge.

To Country Club bridge:

*Turn onto Pine St.

*Turn onto N 10th St.

*Turn left onto Country Club road and head towards Walmart.

*The bridge goes over I-30 (do only the guardrails approaching the bridge on either side: do not attempt to work on the bridge)

*Park in the nearby apartment parking lot.

Special Instructions:

*Make sure to go to all 3 locations

*Be careful on bridges/roads!

If you finish your project early and would like to continue serving, call the Elrod Center and we can direct you to a new site.

Need extra tools, more volunteers to finish, or have any questions?
