## HAPPY NEW YEAR!

And the trivia contest winner is.... once again...

### **Tori Bateman!**

She is the only person to guess correctly the answer to this question: **Who used to listen to great punk rock bands and once had orange & green hair? Dr. Taylor!**

Just in case you are interested to know this, 2 people (students and staff!) guessed it was Dr. Lewis, and each of the following were proffered as possible former punk rockers: Mr. Stanley, Mr. Briggs, Drs. G, Kolt, Garrett, Johnston, & Isenhour. ☺ Maybe you all should take a little bit of time to get to know each other just a little bit better!

## Suggestion Box

Most of the ordering of new materials takes place at the beginning of the school year in August. If you have suggestions or requests for new items, please give them to the music librarian this semester. If the music library was unable to purchase any of your requests this past year, please remind the librarian that you still want those items. ☺

## Student Research

Most librarians' favorite thing to do is help connect people with the information they need. Although we all love Google, and we use it every day, there is a gold mine of scholarly research which doesn't pop up in a google search. That information is held in proprietary databases to which OBU students have access through the library website. All librarians at OBU are happy to help students find information, and students should feel welcome to come to us with questions!

Goodbye **Silver Burdett** books!

We will soon withdraw all the ©1956 Silver Burdett music education books. If you are interested in having a set, please let me know! They are lovely books, full of poetry and charming illustrations, and of course music to share with children.

### **NEW TRIVIA QUESTION!**

Which faculty/staff member fits this question:

**Who played the harp in high school and spent a year as an Americorps Volunteer working with Habitat for Humanity?**
